Unicorn Celebrates 30th Season

Congratulations to the **Unicorn Theatre**, 3828 Main, as they begin their 30th season of contemporary theatre in Kansas City. Over the years, the Unicorn has been committed to the needs of the community and the artists who live here. The Unicorn's outstanding productions are the proof.

This landmark season starts off with *Lobby Hero*, running from Aug. 29 to Sept. 21. Written by Kenneth Lonergan, (*Gangs of New York* and *You Can Count on Me*) this is a comedy, drama and romance set in the lobby of a Manhattan highrise. It involves a wisecracking security guard, his overbearing boss, an attractive female rookie cop and a brutal murder.

If you would like information about future productions, check out the Theatre's website at www.unicorntheatre.org.

Thanks to **Muddy's** and **McDonald's** for naming MainCor as their recipient.
